CELEBRATION OF 90TH BIRTHDAY

May you accept from all of us at the Association of Nigerian Authors (ANA), Ebonyi State Chapter, warmest felicitations as you celebrate your 90th birthday. It is a thing of great joy to us, for your life so far remains a great book that cannot be dropped once a reader picks it up. You reflect what it means to be truly patriotic, statesmanly, selfless, kind, loving, wise, blessed, and a curator of indigenous cum ancestral knowledge. Your contributions towards the advancement of the frontiers of human knowledge are outstanding.

Thus, it is our innermost prayer that the Almighty God grants you many more years in unflinching health of mind and body. Happy Birthday to you, sir. We wish you many happy returns.

Congratulations!

Mr. Richard Inya
Chairman, ANA,
Ebonyi State Branch.
