## **TO THE UNCOMMON NONAGENARIAN: HORII GABRIEL ANIGO AGWO**

Horii Gabriel Anigo Agwo is much favoured by God to attain this feat – ascendancy to the nineth floor in absolute wellness and undeniable accomplishments. May the Almighty God be forever praised for seeing him through the crucibles of life to gain and succeed nine decades in sound health.

Horii Gabriel Anigo Agwo is an exemplary teacher, mentor, and father figure. He is indeed, a versatile personality who has been an inspiration to many generations. His articulation of historical and cultural events of Ehugbo is topnotch.
