SENATORIAL DISTRICT EBONYI STATE

16TH JANUARY, 2023.

TRIBUTE TO GABRIEL ANIGO AGWO

We have been fortunate enough to witness the 90th birthday of a true relic. One with admirable qualities. A veteran in diverse knowledge and experience.

I join everyone to celebrate the greatness of a living legend whose life has been built on principles worthy of emulation. You played a key role in the transformation schools as a Superintendent before leaving a high record for others to fill as you retired.

To a teacher, father, mentor and grandfather to many, I congratulate you on hitting this great milestone!

Once again, happy 90th birthday. May you continue to age gracefully as your days continue.

Signed
