Dear Sir,

**CONGRATULATIONS ON YOUR LANDMARK 90TH BIRTHDAY**

I wish to extend you heartfelt congratulations on your attainment of 90 years of age.

Over the years you have contributed to Ehugbo culture and learning - across generations. You have shared your knowledge and contributed in many numerous capacities to the development of Ehugbo - culturally, socially, politically, religiously and philanthropically.

As you mark this landmark birthday, I send you felicitations and best wishes. Your work here is not yet done - we raise our glass to many more productive years and your good health.

Amen

Yours sincerely
