Happy 90th birthday, our nonagenarian Dad, HORII GABRIEL ANIGO AGWO!

On your journey through life, you've navigated twists and turns, never steering clear of any adventure along the way.

Superheroes possess special powers. Your power is even more special. You possess the power of love, kindness, inspiration and wisdom. That we see in your son our very own MR OKECHUKWU AGWO. We love, adore and respect you for that special fatherly touch that you have imbibed in him always.

Today, your family and friends (Old students association of Marist Comprehensive Academy) OSAMCA Enugu, have the pleasure and privilege to celebrate you in a very special way.

We congratulate you for not only living 90 amazing years, but also for being the best father, teacher, coach and mentor anybody could ever have.

Once again Happy 90th birthday our nonagenarian Dad!

We love you so much!
