A TRIBUTE TO A LIVING LEGEND

RE: Chief G. A. Agwo

At 90, what else can we say than to thank the Almighty God for giving us a great colossus and legend, Horri Gabriel Anigo Agwo, who coincidentally is our great Ibe-okwu matrimonial lineage Patriarch. We are grateful to God.

Horri is a man of integrity whose life is characterized by honesty, diligence, intelligence and boldness. He is a role model to many of us who read his articles in Afikpo Today, and sat under his tutelage to learn ancient wisdom.

He significantly contributed to preserving the history of Ehugbo through his writings and speeches. His leadership in different strata of the society has led to the outstanding human capital development of our people in Ehugbo. He is a voice to the voiceless, father to the fatherless and a shoulder to lean on for every Ehugbo person. His love for Ehugbo is unparalleled.

Horri, as a staunch Catholic, has equally helped in the development of people's faith in our Lord Jesus Christ. He has taken care of many priests and Worshippers at different times.

On behalf of the entire ibe-okwu Family and Elder Oti Otu's family, I want to wish you a happy birthday and more fruitful years in good health and sound mind. We love and cherish you Sir. We shall live to celebrate your 100th birthday anniversary.

Your Son,

PROF WILBERFORCE OTI
