Indeed.

And how so true it is of **Horii Chief Anigo Agwo!**

On the special occasion of his **90<sup>th</sup> Birthday Anniversary**, we join his family, friends, associates and well-wishers to give thanks and praise to the Almighty God for this gift to humanity, and to celebrate his remarkable and productive life of authentic service to his community, Ebonyi State, Alaigbo, Nigeria and the world at large.

Here's to a great man who epitomises humility, simplicity, and altruism. A man of courage and integrity, whose word is his bond.

Here's to an exemplary husband and father, a devout Christian, a friend to all well-meaning persons, and a mentor par excellence.

Here's to a man of character, culture, learning and who has excelled as an educationist.

Here's to a repository of Ehugbo culture and traditions, and a chronicler of her history.

Here's to the Servant-Leader, ***Onyochiri Oha Ehugbo.***

Here's to the latest nonagenarian in town!

We pray God to preserve you in good health and continue to bless you with wisdom, strength and retentive memory.

Happy birthday sir!

Affectionately yours,

**Professor & Mrs C.O. Onyebuchi Chukwu and Family**
